Dear partners,

please note that as of August 1, 2007 the office of Nibbe & Wiedling in downtown Munich will be closed and merged with the office of Thomas Wiedling outside of Munich. Please delete the Munich address NOW. All letters will be forwarded for six months no problem – but no parcels will be accepted under this address any more.

Bettina Nibbe Literatur Agentur ceases to operate actively in October 2007.

NIBBE & WIEDLING continue selling Russian and Ukrainian book and film rights worldwide.

Bettina´s email remains untouched: nibbe@nibbe-wiedling.de

Her new number is: +49-8152-30 45 13

The agency´s only address is: Hoehenweg 11, 82229 Seefeld, Germany

We will both take some time out until early September. You can always write to us. Have a relaxing summer, stay well and see you soon here in Munich and Frankfurt!

Sincerely, Bettina & Thomas
